Macbeth class of sixteen boys with Rev. E. H. Bradfield as teacher, did themselves proud when they gave an elegant supper to the public on Tuesday evening this week in the dining room of the Presbyterian church. The room and tables were prettily decorated with flags and bunting in honor of Washington's birthday. The boys' mothers of course, helped in giving the supper, and everybody who ate had nothing but praise for the meal. About twenty-five dollars was raised which goes into the fund the boys have started for a camping trip next summer.
